Woodruff-Sawyer & Co.
50 California St., Floor 12
San Francisco, CA 94111

You are cordially invited to attend Woodruff-Sawyer's seminar, **Workers' Compensation & Safety—Working Together**. This informative presentation will focus on the legislative, financial and compliance issues impacting today's workers' compensation market from a safety and claims management perspective.

THE INFORMATION PRESENTED WILL INCLUDE

- Review of Best practices when dealing with employee injuries and compliance issues – what you really need to know
- Proactive methods to impact workers' compensation costs and minimize your risk under Labor Code section 132a (wrongful termination) claims
- Recap of current market trends impacting California workers' compensation premiums
- EH&S 101 - Understanding the basics on what's required of your organization from a regulatory perspective
- Best practices for ergonomic programs
