It's no secret that the wide range of employee benefits programs and plans offered to today's employer can be both overwhelming to understand and challenging to manage. With rising healthcare costs, a myriad of compliance issues, and the passage of The Patient Protection and Affordable Care Act, program strategy and administration can be time-consuming and complex.

Please join us for **Benefits 101**, a seminar focusing on today's essential employee benefits issues and trends. Discover the critical information employers need to know to stay up-to-date and in compliance in an ever-changing benefits landscape.

AREAS OF DISCUSSION

- The Basics of Employee Benefits, Health Risk Management and Benefit Strategy
- Administering Welfare Plans
- Healthcare Reform Legislation
- Wellness Update and Compliance Considerations
- Global Mobility Programs: Travel Accident and Health
