Developments on health care reform are changing daily. Now, more than ever, employers need to know how federal health care reform can affect their organizations. This seminar will give an update on current health care reform and practical guidance on compliance with recently enacted legislation. Several statutes that will be addressed include the Consolidated Omnibus Budget Reconciliation Act, the Health Insurance Portability and Accountability Act and the Employee Retirement Income Security Act.

#### TOPICS OF DISCUSSION

- The current status of federal health care reform measures
- How reform measures could affect your employee benefits plans
- New HIPAA requirements under the American Recovery and Reinvestment Act
- Your obligations following the extension of the COBRA premium subsidy
- ERISA-based compliance obstacles and deadlines for 2010
- Best practices for complying with the recently enacted Genetic Information Nondiscrimination Act, Michelle's Law, Mental Health Parity, Wellness Programs and the Family Medical Leave Act

#### FEATURED SPEAKERS

**Jennifer Lunski, Esq.**, Vice President, Compliance Officer, *Woodruff-Sawyer & Co.*

**Tonie Bitseff**, Attorney, *Marin Legal*
